## IMPORTANT Note to 7B Parents:

Dear 7B Parents,

Due to changes in state testing policies, students in 7B will take the following STAAR assessments:

- 7<sup>th</sup> Grade Writing (Day 1)
- 7<sup>th</sup> Grade Writing (Day 2)
- 7<sup>th</sup> Grade Reading
- **8<sup>th</sup> Grade Math**

In prior years, students were given the assessment for their grade level. TEA policy now states that students must be assessed for the course in which they are enrolled. As 7B students are enrolled in 8<sup>th</sup> Grade Pre-AP Math (Course III), these students will be required to take the 8<sup>th</sup> grade Math STAAR assessment.

The schedule sent out by TEA has these students taking both the Writing (Day 1) and Math assessments on the same day. Due to the new 4 hour testing time limits, 7B students will need to be on campus at 7:30am in order to begin testing at 8:00am and complete testing by 5:00pm. We understand that this is an extended time period; however, due to state testing requirements, we are unable to provide any other scheduling solution.

In order to prepare students for this testing change, we will implement the same schedule for our Mock STAAR testing on Monday, February 27, 2012. Please make sure that your child is on campus by 7:30am. We will dismiss students from the picnic table area (behind the gym) at 5:00pm. **Students will eat lunch in between tests and may bring a dry snack and bottled water for testing.**

Please refer any questions to Mary Averill ([maverill@harmonytx.org](mailto:maverill@harmonytx.org)).

**Kindergarten, 5<sup>th</sup> and 8<sup>th</sup> Grade Graduation:** We will be hosting graduation ceremonies for our Kindergartners, 5th, and 8th Grade students in May.

- Kindergarten Graduation Date: Friday, May 18th at 9AM
- 5th and 8th Grade Graduation Date is Friday, May 18th at 5PM
